*“Experience the fantasy”*

## Experience the Fantasy!

*“When are you guys coming back?”*

Invariably, this is the question asked not only by the fans, but by the house staff as well after an electrifying *Mina's Fantasy* show. This Lower-Westchester based rock cover / party band has been delivering high energy, high quality performances to bars and clubs in the Tri-State Area for the past three years, and has ***brought down the house*** wherever they have played!

*Mina's Fantasy* is always seeking to expand its operation in all ways, and is in the midst of a promotional blitz. This is one band that belongs in front of a crowd, as their sound and performance are simply awesome. From their high-end gear, PA, and stage lights, to their mind-blowing musicianship and high-octane stage show, this band has it all!

## BIG sound, BIG show!

*Mina's Fantasy* is proud to deliver a quality of music well above the norm—whether playing true-to-radio covers or their own unique spin on the classics. With two sophisticated lead guitarists blasting out a wall of sound, rock-steady bass and drums keeping a tight rhythm, two sexy & dynamic singers in the front, and *everyone* adding backup harmonies, this is a sonic experience you don't want to miss!

Vocalist's Paul and Sally are an unparalleled duo in the male/female cover scene. Their enthusiasm, talent, and chemistry are the highlight of the show. With Paul rallying the audience with his incredible energy and Sally sounding twice as good as she looks (which is saying *a lot*), they will make sure your patrons are up drinking and dancing into the wee hours!

## Are you experienced?

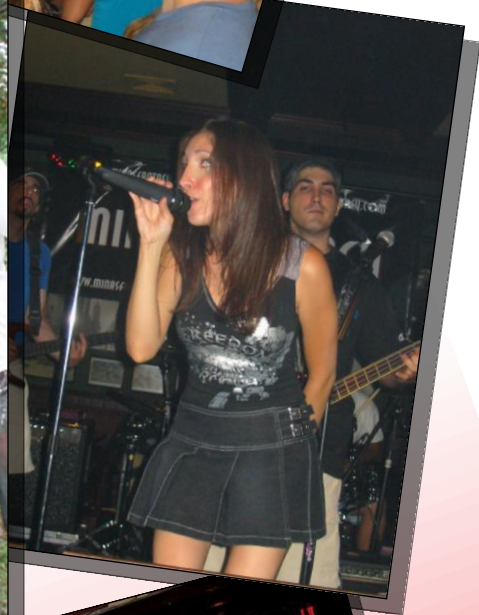

*Mina's Fantasy* exploded onto the scene in 2004, and has been steadily rocking the band circuit in and around the Tri-state area ever since, gathering more and more fans at each show. The band maintains regular bookings at bars such as & The Rambling House in the Bronx, Burk's in Yonkers, O'Neil's in Norwalk and Tiernan's in Stamford. Each member of *Mina's Fantasy* is a trained musician and veteran of the cover band scene. Collectively, they have over 53 years of professional musical experience! Their most seasoned members have been playing in bands for well over fifteen years, their least experienced; over seven years.

Are you ready to ***“Experience the Fantasy”*** firsthand? Do you want your patrons to have an unforgettable night of partying with one of the top bands in the Tri-State Area? Contact *Mina's Fantasy* ***now*** and find out what you have been missing!
