About the Band

Mina's Fantasy is proud to deliver a quality of music well above the norm—whether playing true-to-radio covers or their own unique spin on the classics. This is a high-energy party band playing your favorite rock, pop, dance, 80s, disco, funk, and oldies tunes. From Chuck Berry to Bon Jovi, to Lady Gaga, and everything in between, Mina's Fantasy has something for everyone and will make sure you're on the dance floor all night long!

Mina's Fantasy exploded onto the scene in 2004, and has been steadily rocking the band circuit in and around the New York Tri-state area ever since, gathering more and more fans at each show. The band maintains regular bookings at bar and restaurant venues, and is also available for private parties and corporate events. We offer a number of different band configuration options to suit your particular needs, including an acoustic duo or trio, a female fronted four piece, or a male and female fronted five piece band. Additional musicians, such as keyboardists or horn sections can also be added to enhance your experience.
